General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain and caged in a small enclosure. I arrived at the property and I knock Mr David came out I asked him why is the dog chained and kept on small enclosure. He said the dog doesn't belong to him it belongs to the tenant. I left the notice to comply for the owner to provide a a bigger enclosure and remove the dog from the chain and provide water all the times. Will recheck after 7 days.
