General Report Comments: There was no people at home and I spoke to one neighbor who introduced himself as Mr Samuel Jacobs. I observed a male white and black Jack Russell Terrier. The dog was running loose inside the property. Mr Samuel Jacobs informed me that the owner of the dog is Surin and he phoned her to inform that the SPCA was at her property. Surin was so upset and she told me that her dog is always loose. I informed the complainant about my findings and I informed her that she must contact us whenever she sees the dog on a short chain again. I observed water and shelter. The dog's body condition is fair and acceptable.
