General Report Comments: The owner of the property was not at home, Louis who is renting at the property gave me access. I saw 1x brindle boerboel female on the property. The dog is underweight and according to Louis the owner does not feed the dog regularly. The other boerboel was inside the house and I could see her through the window,her weight is acceptable. Both dogs are very aggressive. Water and shelter was observed. I issued warning W5252 to feed the dog Biscuit twice a day and to clean the dogs living area. Will follow up.
