General Report Comments: There were no people at home. I saw 3x dogs loose inside the property. Water and shelter was observed and it looked to me if there is someone feeding the dogs because the bag of dog food was standing on the porch. The 3x dogs body conditions is acceptable. The complainant who lives opposite the street saw me there and came over. The complainant told me that the dogs are barking constantly and they can't sleep. I told her to contact law enforcement as it is a by law related issue, I can only enforce the APA. No welfare concerns noted. Nfa until further notice.
