Comments:	Myself and Inspector October went to Darling SAPS to discuss the case with Captain Otto. Constable Adams was also present. I took a copy document with. Captain Otto and constable Adams appeared to not know that this must be treated as a Sexual Offence. Constable Adams wanted to get stock theft involved to investigate. We explained the sexual offences act and APA to them and Captain Otto said that we will have our case number within an hour or 2. According to them our original document is stil in the cupboard of detective Davids.
