General Report Comments: There were no people at home. I could see that the owner has not complied to the notices that was left by trainee inspector Mathabela. The pitbull is still on a short chain provided with a collar. Water and shelter is available and the dogs body condition is also acceptable. I issued warning W5256 to put the dog on a running chain within 7x days otherwise I am going to confiscate this dog because the owner has been given more then enough time to improve this dogs living conditions. Will follow up.
