General Report Comments: I did a door to door at the property and I saw 1 dog sleeping outside on a blanket and I stopped by to speak to the owner of the dog. I asked the owner how long was the dog injured and she said since Friday and I told her that is not acceptable to let the dog stay in that pain for such a long time. I told her to provide the dog with a adequate veterinary treatment and she said she doesn't have money for treatment I advise her to surrender the dog and she agreed I loaded the dog NFA
