General Report Comments: I responded to complain about dogs tied with a rope and one dog in a crate. I arrived at the property and I knock miss Thompson came out. I explain to her why I was there and I asked to see the dogs and she said she is also scared of the dogs because they belong to her brother and I saw them from the fence and the other dog was not happy to see me there.
I left the notice to comply for the owner to provide a runner for the dogs and a shelter and always provide water all the times. Will recheck after 7 days.
