General Report Comments: Upon arrival we were met by Mrs. Swarts. I explained to Mrs Swarts why I'm here and she took us to the back of the property where I observed 1x brown terrier x female on a running chain provided with a collar. The reason why Stacey the female terrier x is on a running chain, is that the property is not fully enclosed. Mrs. Swarts told me that once there property is fully fenced they will let Stacey loose. Water, food and shelter was also observed. No welfare concerns noted. Nfa until further notice.
