General Report Comments: I did a recheck today and I found that the owner of the dog has not complied with the notice they didn't provide the dog with a treatment. I arrived at the property and I saw the dog full of oil on her body and I told her that is not acceptable to let the dog suffer like that . I advise her if she doesn't have money for treatment she can surrender her dog to the spca and she agreed to sign the dog over NFA
