General Report Comments: Inspector Van Zyl and I was met by Christo Adonis who is the owner of the dog in question . I asked Christo if I can see the dog and we went to the back of the property where I observed 1x brown pitbull male called Bruno. Bruno has an issue with his tail and keeps on biting his tail. There is a wound on his tail,I told Christo that they must take Bruno to a vet to find out why Bruno is biting his tail. Christo told me that they will take Bruno to the vet tomorrow. I issued warning W5258 to take Bruno to see a vet. Water ,food and shelter is available. Body condition acceptable. Will follow up.
