CHECKLISTS

General Report Comments: I went to the property. The owner of the animals were evicted from the property. The owner of the property was there and then the owner of the animals also came there. His name is Eugene Nieman. Mr Nieman said he was locked out of the property and he could not get his animals. I explained to Mr Nieman that he does not have place to stay at the moment so if he cannot keep the animals he can sign them over to the SPCA. Mr Nieman decided to sign the animals over 1 dog and 2 cats. I humanly euthanased them at the DARLING SPCA as they were not adoptable . NFA UNTIL FURTHER NOTICE
