General Report Comments: I did a door to door at the property and I saw 1 dog on a property walking the dog had a pink paint on him and I stopped by to speak to the owner of the dog..
I saw the dog and it looks like a tumor on the penis and I asked how long the dog has it and she said maybe 3 to 4 months and it started as a pimple. I noticed that the dog is crying and seems as if is in pain. I left the notice to comply for the owner to provide a adequate veterinary treatment for the dog within 24 hours.
