General Report Comments: I went to do a follow up inspection to see if warning W5264 has been adhered too. Upon arrival I was granted access to the property by Pedro Booyesen who is the owner of the dogs daughter. Gerda Booyesen was not at home. Tessa's living conditions are still the same and nothing has been done to improve her living conditions. I asked Pedro why nothing has been done and she told me that her mother gave her permission to surrender Tessa to the Spca as her mother can't look after Tessa anymore because of financial difficulties. Tessa the brown and white pitbull female was surrendered to the Swartland Spca. There are no other animals on the property. Refer to admission D13925. Animal no longer on the property. Nfa until further notice.
