General Report Comments: When I arrived at the property Vernon was at work and I had to go to his work place at RBJ bricks .I explained to him about the dog and he informed me that the owner of the Pitbul that attacked his dog must pay for the vet treatment of which I advised him that his dogs safety is his responsibility and his dog was not supposed to be out in the street. The other three dogs body condition is fair and acceptable. Water and shelter observed. I convinced Vernon to surrender the injured dog .
