General Report Comments: Elton was still waiting for the pins that he was promised by Jameson. The dog is on a short static chain of about 2meters long with a collar. The living environment is clean. The dog's body condition is fair and acceptable.
Elton informed me that his male dog died about a week ago. I gave him a pin so that he can set up a running line. I didn't issue a Notice to comply as he was promised some pins to set up the runner. I will recheck
