General Report Comments: There was no people at home and one neighbor informed me that I can get Shafique's number at Pola who is Shafique's friend. I went to Pola and he gave me Shafique's number. Jemason spoke with Shafique and he informed him the welfare concerns affecting the dogs . There was a water bowl filled with water. The German Shepherd is underweight and the body condition needs to improve. I couldn't see if the Rottweiler had water as I was standing at the gate some few meters away from the dog . The Rottweiler's body condition is fair and acceptable. Shelter was also observed. I issued a Notice to comply advising Shafique to
(1) seek treatment for the external parasites on the German Shepherd
(2) provides both dogs with adequate food
(3) improve body condition of the German Shepherd
