CHECKLISTS

General Report Comments: I arrived at the workshop and the owner Mr Vosco gave me access . I asked him about a dog that is on the property. Mr Vosco said that he brings the dog to the workplace when there is no one at home as he does not like to leave his dog alone at the property. At the time of my visit there were no dogs on the property and I have no reason to not believe Mr Vosco's explanation. He said when the dog is there the dog can walk around and outside everywhere and is not confined to the area where they do the painting. NFA UNTIL FURTHER NOTICE
