General Report Comments: The terrier x male dog is on a running chain. He is underweight. Zandre showed me a bag of bobtail and said that the dog is eating but is not picking up weight. I told her then there is something else wrong and that the dog must be taken to a vet withing 24 hours. The pitbul dog is on a running chain with a collar and is in an acceptable condition. I also told them to clean the living area where Mercy the pitbul dog was living.
