CHECKLISTS

General Report Comments: When I arrived the owner of the dog Mr Mcquire was at home. He said he did not take the dog to a vet as his wife had a stroke that evening. He promised to take the dog to a vet today. I told him if he does not take the dog to a vet we will remove the dog and he said he will because he loves the dog and does not want to use the option of surrendering. Mercy's living area was clean.
