General Report Comments: I responded to complain about the owner of the dog that is kicking his dog. I arrived at the property and Mr Jan the owner of the dog was also coming back from work and he welcomed me to the property and I explain to him why I was there.
He took me inside the house to see the dog and he explain to me what happened. He said he was controlling his dog because the dog is very fat and he can't lift the dog because the dog ran out of the property.
I told him that he must not kick the dog at all costs. He said he used his leg to control the dog.
Water and shelter was observed and the body condition of the dog is acceptable NFA.
