General Report Comments: Titus adhered to the Notice to comply which I issued and provided the dog with adequate shelter . I observed two adult dogs on this property and Titus informed me that the dog wasn't his but the dog spends most of the time playing with his dog. I observed water and shelter. The dog is now running freely inside and outside the property as the property is not fully enclosed. The dog's body condition is fair and acceptable. Titus informed me that he wanted to sterilize his dog but he is not working .
