General Report Comments: I did a door to door at the property and I saw 1 dog on a short chain without a collar tied up to the electric pole suppoter I immediately stop and ask where does the dog belongs to and they showed me the property. I arrived at the property and called the owner to come out and he did that. He explained to me why he he was chaining the dog like that and I told him that is not acceptable he must remove the dog immediately. He removed the dog from the pole and he tied the dog inside the property and I said if they want to work close to the dog he must move the dog to a safer place. Water and shelter was observed and the body condition of the dog is acceptable NFA
