General Report Comments: I was granted access to the property by Lawrence Colombo who is the owner of the dogs teenage son. I saw 4x Maltese dogs on the property. The 1x dog Avi has a skin problem and I asked,Mr. Colombo if they are in any way treating the skin problem and he told me that they have tried different things but it does seem to work. The dogs are not matted and is due for grooming as Mr. Colombo has showed me the appointments for the groomer on his phone. Water,food and shelter was observed and the dogs body conditions is acceptable. I issued warning W5277 to get Avi a Simparica tablet to help for her skin problem. Will follow up.
