General Report Comments: I responded to complain about the owner of the dogs who can't afford to care for the dogs. I arrived at the property and I knock ms marione welcomed me to the property and I asked to see the dogs she showed me the dogs.
One of the dogs is aggressive I couldn't get close to him. The two dogs are bit under weight and I asked the lady to surrender the dogs as she can't care for them anymore due to her financial issues.
She agreed to surrender one dog because she said the other dog bullies the other dog and they fight over food she said also she is waiting for her brother to bring the dog food.
I left her a warning for her to provide the dog with adequate food and provide ticks and fleas treatment.
