General Report Comments: Charne who is the complainant and also the sister of Gregory Gibson allowed me to conduct the inspection. I observed a juvenile female Rottweiler/Pitbul X named Cayde. I did not observe any physical injuries on the dog. I advised Charne to provide us with videos or photos of the abuse so that we can have a strong case. I observed water and shelter. The dog is running loose on the property. I contacted Gregory and he denied it. His contact number is 0790622583. I am closing this case for now as there is no evidence of animal cruelty
