General Report Comments: I was met by Magrieta Nero who is the owner of the property. I could see that the owner of the dog, Magrietas son has not adhered to the notice to comply that was issued. I asked Mrs. Nero why her son has not done anything to better the living conditions of the dog and she told me that her son is going to take the dog with him to the farm. I told Mrs. Nero that's not an excuse for not adhering to the notice that was left. I explained to her the seriousness of the situation and issued a warning. I told her that I will follow up within 7 days and if the warning has not been adhered too, that I will confiscate the dog. Will follow up.
