General Report Comments: I saw 1x brown terrier x male lying on the side walk and stopped,a woman came out and introduced herself as Ms. Sophie April. I asked Ms. April if the dog belongs to her and she said no the dog called Skollie belongs to her brother in law who's name is Gys De Kok. I asked Ms. April if the owner is treating the dog in any way for the skin condition and she said no,not that she knows of. I explained to Ms. April that it is unacceptable for any animal to be living in such conditions without receiving the necessary treatment. I issued warning W5284 for the dog Skollie to be provided with the necessary treatment for his skin problem. Will follow up.
