General Report Comments: I observed this juvenile lying on the side of the street. I asked around and I was shown the property where the dog belongs. The owner of the dog Jayden was said to be at work and I spoke to Desmond who admitted that the dog was his brother's and there was another dog which I didn't see. The dog has a bad skin condition and Desmond informed me that his brother wants the dog to be taken to the SPCA as he can't afford to look after the dog. Desmond surrendered the dog and I issued a Notice to comply. I will recheck in three days to see if I can see the other dog
