General Report Comments: Leandi granted me access. There are about 25 dogs on the property. All the dogs are in acceptable condition. I went into the house where the dogs sleep. The complainant said the dogs are hit. The dogs does not have any wounds and are not scared. I asked Ms van Rooyen regarding a person that is allegedly hitting the dogs and shouting at them and she said that it is only her and her boyfriend that is looking after the dogs and that under no circumstances will they ever do that. She mentioned that she was issued a notice by Law Enforcement to reduce the number of dogs on the property.
