ADEQUATE SPACE AVAILABLE	No ***	The female Pitbul dog is chained
CLEAN LIVING ENVIRONMENT	Yes	
ANIMALS IN GOOD CONDITION	No ***	Taste the Labrador X is sick
VETERINARY PROBLEMS / HEALTH CO	Yes ***	Labrador is sick
CONFINEMENT OF ANIMALS	Static Chain - inadequate length **	The female Pitbul dog named Remy is aggressive

General Report Comments: I observed a male Labrador dog lying next to a gate and I asked the people around and I was shown the property where the dog belongs. The dog is sick and Juliana informed me that she was struggling to get the SPCA contact information. I advised her to in future search for the contact details on Google.
The female Pitbul is on a short static chain without a collar. The dog's body condition is fair and acceptable. I observed water and shelter on the property. Juliana surrendered the sick adult male Labrador. I issued a Notice to comply advising Juliana to:
(1)seek vet treatment in future for any sick or injured animal
(2)remove the dog named Remy from the short chain
(3)provide a collar for Remy
