ADEQUATE SHELTER AVAILABLE	No ***
ANIMALS IN GOOD CONDITION	Yes

General Report Comments: I went back to see if the warning was adhered to. The dog was still tied with a short static chain to a rock. The owner said that she cannot extend the chain as she is not allowed to. Even though I explained that this is illegal she does not want to surrender the dog to the SPCA. I will have to remove this dog because the owner does not want to understand that she cannot tie up the dog like that. The dog cannot reach his kennel properly with the short chain.
