General Report Comments: I saw 1x brown terrier x dog with a skin problem. I asked the people in the street who the dog belongs to and they pointed to a house who belongs to a lady called Naomi. I went to the house, property is not fenced. I saw a kennel and water for the dog that was in the street. I knocked on the door but nobody was responding. I issued warning W5290 to provide the dog with adequate treatment for the skin condition. Will follow up.
