General Report Comments: I was met by the owner Elsie Swart who is the owner of the dog on the property. I saw 1x black and brown terrier x female on a running chain without a collar around her neck. I explained to the owner that a bare chain around the dogs neck can cause injury. Water and shelter is available. Body condition is acceptable and the dogs living area is clean. I issued warning W6557 to provide the dog with a collar. Will follow up.
