General Report Comments: The black and white female dog named Chloe is running loose inside the property despite the property not fully enclosed. The dog's body condition is fair and acceptable. I observed water and shelter. Veronica informed me that they feed Chloe with house food.

Veronica informed me that the dog belongs to her sister Marelize . I went to Darling Brew where Marelize works and I managed to convince her to sterilize Chloe. The sterilization is scheduled for the 6th of June 2025.
