General Report Comments: I was granted access to the property by Larius Olipen who is the owner of the dogs son. Larius took me to the back of the property where I observed 1x pitbull x male and 1x German Shepherd x male. Both dogs are in acceptable conditions. Water, food and shelter is available. The issue is that the dogs jump the wall and go to build it across the street. No welfare concerns were observed. NFA until further notice.
