General Report Comments: There were no people at home. I saw 1x German Shepherd x female with 3x 7month old puppies and 1x brown terrier x male. All the dogs are loose on the property. The dogs body conditions is acceptable and by no means are they underweight let alone emaciated. Water and shelter is available. No welfare concerns was noted. I called the complainant to tell him that the dogs are not underweight and he went on about the dogs always being in the street,I told him to call law enforcement because as the Spca we can't enforce the bylaw. Nfa until further notice.
