General Report Comments: I saw this dog in the street and I asked around and was shown the property where the dog belongs. The dog has bad mange. Makhaziwe informed me that the dog belongs to a relative who left long time ago and she was the one looking after the dog. I then advised her that by law she is now the owner. I observed water and shelter. I managed to convince Makhaziwe to surrender the dog. There is no animals left on the property but I issued a Notice to comply advising Makhaziwe to seek vet treatment for any sick or injured animal in her possession in future.
