General Report Comments: I was granted access to the property by Magda Klaase who is the owner of the dog in question. I asked Ms. Klaase to see the dog and she told me that the dog called Woefie is somewhere in the neighborhood. Ms. Klaase and I took a walk around the neighborhood, when we returned to her house Woefie came running from the house next door. Woefie does not have mange and are also not tied with a short leash as all the neighbors has testified that Woefie is always loose. Woefie does not have a kennel. Ms. Klaase asked if she can't surrender Woefie as she is unable to look after Woefie anymore. Refer to admission D12583. No other animals on the property. Nfa until further notice.
