ADEQUATE SPACE AVAILABLE	No ***	The brown puppy is on a short cable

General Report Comments: There was no people at home and I couldn't get access into the property. I observed about +_10 dogs on the property. I also observed two puppies that are underweight/ thin and one is tied with a cable. I couldn't take pictures of the puppies after I saw some cameras on the property. I got the owner's contact details and I phoned him but he refused to give me his details and he was threatening me after I told him that if he doesn't comply he will leave us with no choice as we will pursue a legal route to ensure that the animals don't suffer. I issued a Notice to comply advising him to

- (1) Remove the brown juvenile dog from the short cable
- (2) Seek treatment for the fly bites on the ears of the black adult dog
- (3) Improve the body condition of the two brown puppies

I gave the Notice to comply to one of the neighbors who refused to give me her name.
I will recheck in 7days
