CHECKLISTS

General Report Comments: I arrived and there was no one at home. I could see dogs from the gate. 4 dogs. 2 are puppies. The brown puppy is thin. The puppy that was tied to the vehicle is not there. I am unsure of where that puppy is. The other dogs is acceptable. I went to Robert's place. I showed him a picture of the puppies and he said that he was the person that gave the puppies to this person. He said that he is going to speak to him this afternoon and he will try and convince him to give him the puppy back and will then keep it and give to us. Inspector October is going to do a inspection there again on 7 June 25 to see if the owner is home and also to speak to Robert.
