General Report Comments: There was no people at home and I went to Robert's place to ask if he managed to get the thin puppies. I went to the property with Robert and he took the puppy which he claimed is his. This puppy together with two other dogs were on the roof. Robert surrendered the puppy. I couldn't do a proper observation as the walls are too high. I issued another Notice to comply advising the owner who doesn't pick his phone when I call to seek vet treatment for the two thin puppies within 4 days.
