General Report Comments: On arrival I was met by a lady who lives next to this property. She gave me a note which she said she got from one Mr Melvin Petersen who owns the dog. On the note there is his contact number which I called. He informed me that he wants the dog to run freely but he is renting and the property owner doesn't want loose dogs. He also informed me that he is going to speak to the owner so that he can set up a running line.
The dog is still on a short static chain. I observed water and shelter. The living environment is clean and the dog's body condition is fair and acceptable
