General Report Comments: Rochelle was at home and allowed me to do the inspection. She informed me that she didn't take the dogs to the vet as her car is broken. She decided to surrender the three dogs that are in a far bad condition but I could only take two dogs as we couldn't catch the other dog. The surrendered dogs are Bullet the male Pitbul and Bubblegum the brown Terrier X. I will go back to see if we can catch the other dog.
Water and shelter observed. The living environment is clean
