General Report Comments: Ena-Lisa was at home and allowed me into the property. I observed water and shelter. The dog is on a running chain with a collar around the neck. The dog named Roxy is underweight and the body condition needs to improve.  
Ena-Lisa agreed to have the Roxy sterilized. I issued a Notice to comply advising Ena-Lisa to provide Roxy with adequate food and improve the dog's body condition. Recheck to be done in two weeks.
