General Report Comments: Rihanna was not at home and I spoke to her mother who introduced herself as Somaya Edas. I observed a black and white female Pitbul X dog named Sky. The dog is running loose inside the property and I observed water. The dog's body condition is fair and acceptable. The living environment is very dirty as there is old feces all over the place. There is a dog kennel available but there is need for a pallet to lift the kennel off the ground. I explained my findings to Somaya and she accepted and signed the Notice to comply which I issued. I will recheck
