General Report Comments: The female Pitbul dog named Siska is on a short static chain of about 2meters with a collar. Water and shelter was observed during the time of my inspection.
The living environment is clean. The dog's body condition is fair and acceptable. Siska is not sterilized. I issued a Notice to comply advising the owner to remove the dog from the short chain and either set up a running line or the static chain must be 5 meters long or more
