General Report Comments: Upon arrival I was met by Leonard who is the owner of the house and also the dogs on the property. I saw 1x light brown pitbull x on the pavement and 1x chocolate brown pitbull inside the yard. Both dogs are in acceptable conditions. The dog inside the yard is loose and is not chained and the dog on the pavement does not have any injuries on his body or paws. I called the complainant and asked her if I'm at the correct address because there is no welfare issues with the dogs where I'm at currently, complainant said it is the correct address, the complainant went on about the dog Bullet that is always in the street and I told her to contact law enforcement because I can't enforce the municipal bylaws. Nfa until further notice.
