General Report Comments: I was met by Ms. Cilliers who is the owner of the dog, Ms Cilliers told me that she only went out for a few minutes and left the dog on the balcony, but the dog was not tied with a leash, he was loose. I saw 1x tan boerboel x male loose inside the house. The dog is in acceptable condition. Water, food and shelter is available. No welfare concerns observed. Contacted the complainant and told her that she must call law enforcement in the future because there is nothing that we can do about the barking of the dog. Nfa until further notice.
