General Report Comments: There was no people at home. I saw 1x brown wirehaired terrier x male lying in front of the house. Upon closer inspection I saw that the dog is starting with a skin problem,he was scratching himself I could see some hairloss starting on the ears and hind quarters. Inside the property I observed water and shelter. Except for the skin problem the dogs body condition is acceptable. I issued warning W6565 to provide the dog with treatment for the skin problem. I also listed on the warning what products can be used. Will follow up.
